

§ 735.59

7 CFR Ch. VII (1-1-00 Edition)

(7) The grade or other class, except length of staple, of each bale of cotton covered by the certificate, in accordance with §§ 735.68 through 735.73, as far as applicable, and the standard or description in accordance with which the classification is made;

(8) A blank space designated for the purpose in which the length of staple may be stated;

(9) That the certificate is issued by a licensed classifier under the United States Warehouse Act and regulations thereunder; and

(10) The signature of the licensed classifier.

In addition, the class certificate may include any other matter not inconsistent with the act or the regulations in this part, provided the approval of the Service is first secured.

(b) Form A memorandums and Form C certificates issued by a board of cotton examiners and class certificates issued by licensed classifiers under the United States Cotton Standards Act (7 U.S.C. 51 et seq.) shall be deemed sufficient for the purposes of the United States Warehouse Act and the regulations in this part, if the samples on which they are based were drawn in accordance with applicable requirements of § 735.71, and, in case of a class certificate issued by such a licensed classifier, if the classifier holds an unsuspended and unrevoked license under each of said acts.

§ 735.59 Weight certificates; form.

Each weight certificate issued under the act by a licensed weigher shall be in a form approved for the purpose by the Administrator, and shall embody within its written or printed terms:

(a) The caption "Cotton weight certificate";

(b) Whether it is an original, a duplicate, or other copy;

(c) The name and location of the licensed warehouse in which the cotton is or is to be stored;

(d) The date of the certificate;

(e) The location of the cotton at the time of weighing;

(f) The identification of each bale of cotton by the tag number given to the bale in accordance with § 735.31 or if there be no such tag number by other marks or numbers;

(g) The gross, or net and tare, weight of the cotton and, if the cotton be excessively wet or otherwise of a condition materially affecting its weight, a statement of such fact to which may be added the weigher's estimate of the number of pounds which should be allowed for such condition;

(h) That the certificate is issued by a licensed weigher under the United States Warehouse Act and the regulations thereunder; and

(i) The signature of such licensed weigher.

In addition, the weight certificate may include any other matter not inconsistent with the act or the regulations in this part, provided the approval of the Service is first secured.

[29 FR 15720, Nov. 24, 1964, as amended at 37 FR 12920, June 30, 1972. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 735.60 Combined class and weight certificates.

The class and weight of any cotton, ascertained by a licensed classifier and a licensed weigher, may be stated on a certificate meeting the combined requirements of §§ 735.58 and 735.59 if the form of such certificate shall have been approved for the purpose by the Administrator.

§ 735.61 Copies of certificates to be kept.

Each licensed classifier and each licensed weigher shall keep for a period of one year in a place accessible to interested persons a copy of each certificate issued by him under the regulations in this part and shall file a copy of each such certificate with the warehouse in which the cotton covered by the certificate is stored.

§ 735.62 Licensees to permit and assist in inspection.

Each licensed sampler, classifier, and/or weigher shall permit any officer or agent of the Department authorized by the Secretary for the purpose, to inspect or examine, on any business day during the usual hours of business, his books, papers, records, and accounts relating to the performance of his duties under the act and the regulations in this part, and shall, with the consent
